COMPANY PROFILE

The KCVAO is a state agency with the duty to provide Kansas veterans, their relatives, and other eligible dependents with information, advice, direction, and assistance through the coordination of programs and services in the fields of education, health, vocational guidance and placement, and economic security. These programs include nursing, domiciliary care, and veterans' cemeteries.

Our state veteran nursing homes located at Fort Dodge and Winfield each employ more than one hundred individuals.

Positions include:

- CNA's and CMA's
- Housekeeping
- Dietary
- RN's and LPN's
- Maintenance
- Social Workers

Our Veteran Services Program hires Veteran Service Representatives for both Field Offices and Enhanced Mobile Delivery Services units.

Our cemeteries see little turnover on positions but when there is, we're looking for Equipment Operators and Managers!

If you're looking for a career in Kansas that assists and cares for veterans, then a job within the Kansas Commission on Veterans' Affairs Office agency is the place for you!

MEET OUR EMPLOYEES

Why do our employees enjoy working for the KCVAO? We asked, and this is what they had to say:

"I enjoy working for the KCVAO because in my own small way I can give back to the men and women who have given us the gift of freedom through their military service. In the Veterans' Cemetery Program I can help give those that have served, a beautiful and honorable final resting place in which they deserve. Every time I hear TAPS played at a funeral I am reminded that this person did something pretty great by serving our Country and how lucky am I to be able to serve them now."

-Heidi, Manager

"I have always liked working with and helping veterans."

-Vicki, Administrative Assistant

"We are veterans helping veterans and their families receive hard earned and well deserved benefits. In my opinion, there is not a better job to be doing than this."

-Greg, Veteran Services Representative

"My job is enjoyable and it's fulfilling to help the veterans."

-Terry, Maintenance
